Flag Day Celebration

The UAE Flag Day was celebrated with great serenity and respect at Brilliant school on the 2nd of November 2017. Students came dressed in UAE flag colour dress. Students celebrated the UAE Flag Day by flying the national flag.

All students showed perfect understanding of the Flag Day campaign, which was aimed to honour the sacrifices made by the UAE Armed forces. The UAE flag represents martyrs who gave their lives for justice, truth and peace in the region.

Foundation Day

Foundation Day was celebrated on the 16th of November 2017 to honour the establishment of Brilliant International Pvt.school. We were glad to celebrate the 7th Foundation Day of our beloved school. It was an opportunity for the little ones of EYFS section to represent the Foundation day of our school. FS2 presented a beautiful poem on BIPS. FS1 children gave a performance by dancing on the song "My school". The rest of the children spoke about BIPS.

It was on this day that school completed 7 years as a successful school.. It was an auspicious and encouraging moment for all of us.

The trip to Sharjah Discovery center was fun, exciting and educative. The students were able to explore an array of colourful and engaging activities in areas such as the Airport Arena, Construction Center, Transportation Center, Human Body Part Center, Music/Sound center. What a fantastic day the children had on the 21st of November for their annual Sports Day. The Theme for the sports meet was **“UNITY”**.

The weather was glorious and hot but this did not stop the children from showcasing their sporting talent. The children cheered for one another and enjoyed watching their parents encouraging them.

All the children tried their hardest, there were some outstanding warm up exercises and a lovely theme song dance. Games were conducted class wise competing against each other. Some of the games were Rock the baby, Obstacle course, Relay race, Hopping balls, Drag the ball with the Hula hoop and a Hurdle race.

MY FAVOURITE STORY BOOK DAY

Reading is an important element of any society which reflects of its people's knowledge and education. To state the importance of reading to our young learners the EYFS section participated in the activity 'My Favourite story book day' which was held on Thursday the 23rd of November 2017. The students were asked to dress up in their favourite character costumes and talk about their characters. They were also asked to bring their favourite story books. Brilliant made a platform for the young kids to come along with the most enchanted character of the story in their own creative ways.
