## Healthy Fun Picnic

*The EYFS section organized a healthy fun picnic on the 12th of January, 2017 to give a warm welcome to the students after the winter break.*

*Each student was asked to bring a fruit or vegetable salad plate decorated or cut in their own creative ways, then the teachers asked few questions regarding the creative plates. Based on that, one student from each class was awarded with a certificate.*

*It was indeed a pleasure to see students bring variety of salad plates and the efforts that parents took to make it a success.*

### Toss a Tip

*Children to be told how to think,  
not what to think.*

## Book Fair

*"Everyone is a reader, someone just haven't found their favorite book yet."*

*Keeping this in mind BIPs, organized a book fair for the students in the school auditorium on the 22nd and 26th of January. Each section was allotted a time slot in which the teachers took their respective classes to the book fair, where the kids were encouraged to select a book of their own choice. They were overjoyed on giving them the opportunity to select their favorite books.*

*The sense of wonder and curiosity for reading was evident in the young faces as they enthusiastically toured the fair and zealously bought books.*

## Spin - A - Tale

*Reading is an important element of any society which reflects the level of its people's knowledge and education.*

*To state the importance of reading to our young learners, the EYFS section organised an activity named "Spin-a-Tale" on Thursday 26th January 2017. Students were asked to bring their favorite story books and talk about it. They also had to wear the costume of their favorite story character. It was great fun to see the little ones emulating their most enchanted character of the story in their own creative ways.*
