Toss a Tip!

Read to your child every day. Make this a warm and loving time when the two of you can cuddle close. Tell your child how much you enjoy reading with him or her. Talk about "story time" as the favorite part of your day.

FOUNDATION STAGE 1 & 2

HAND WASHING DAY

Dettol company arranged for a presentation on Hand Wash and its importance.

On October 2nd, 2017 EYFS Department celebrated Hand washing Day. Students were happy to learn about the importance of using soap and water to kill germs.

Children practiced the proper steps to wash their hands along with a song. They learnt a lesson on how to protect their own health in order to prevent diseases to save their lives. By the end of the session every child received a bottle of soap in order for them to remember the hand washing process.

CLASS TOUR

We are so proud of the way our children have finally settled into the new school year. There is an atmosphere of calmness and productive endeavor evident throughout the EYFS section. Our focus these few weeks is allowing children to be familiar with the different rooms/sections of the school.

On the 4th of October, Teachers took our children on school tour. They visited Music room, ICT room, Washroom, Supervisor's office, School clinic and the playground. The Children learnt about different places of their school in a fun practical way.

WORLD TEACHER'S DAY

On 5th October 2017, Teacher's Day was celebrated in a special way. The children lovingly wished their teachers a very Happy Teacher's Day. They brought gifts for the teachers and encouraged them with affirmative words in their own little way. They showed appreciation and acknowledgement of the hard work put in by the teachers towards their learning development.

The entire staff of BIPS celebrated Teachers' day.

The Principal, Dr.Mohan Gojer encouraged the teachers and urged them to be the best.

We would like to thank all the parents for assisting their children in preparing the projects. We appreciated their efforts by giving them appreciation certificates.

TRIP TO SHARJAH DESERT PARK

The Sharjah Desert Park welcomed the FS1 and FS2 students on October 18th, 19th, 22nd and 23rd with trips to the different sites like the Arabian wildlife and the children's farm. The Wildlife Centre houses the world's largest collection of Arabian wildlife and is the only zoological park in the Middle East that is completely indoors. The students welcomed the opportunity to be able to see the animals in their natural habitat.

The Wildlife Centre houses a wide variety of species inclusive of reptiles, birds, nocturnal animals, ungulates and large carnivores. The visit to the Sharjah Desert Park ensured a lively group discussion and evoked wonder-eyed questions for the teachers.

BREAST CANCER AWARENESS DAY

October is recognized as Breast Cancer Awareness Month in the Commonwealth and it marks another year in our fight against this deadly disease. Breast cancer awareness is an effort to raise awareness and reduce the stigma of breast cancer through education on symptoms and treatment. On 19th of October 2017 EYFS celebrated Breast cancer Awareness Day. The children came dressed up in Pink to support the awareness of Breast cancer. The good news is that years of hard work, raising awareness and education are paying off. The FS2 children formed groups and acted out stories.

HEALTH WEEK

The EYFS section organized a week to promote healthy eating, with the outcome stating children should have knowledge of how to eat healthy. This knowledge helps them to take responsibility for their own health and wellbeing.

Each student in turns were asked to bring healthy food. The teachers helped them to prepare their own sandwich, fruit salad, vegetable salad and decorate their cupcakes.

It was indeed a pleasure to see students share variety of food and the efforts that parents took to make it a success.

GRANDPARENTS' DAY

Grandparents Day is a day set aside exclusively for your grandfather and grandmother, who have played a very influential role in your family. Grandparents Day is an opportunity for grandparents to spend some exclusive time with their children and grandchildren.

The EYFS children came dressed up as Grandpa/Grandma. It was a day filled with happiness. There was a special assembly held for the children to celebrate this beautiful day.
