Date: 13/09/2017

Dear Parent,

We would like to extend a very warm invite to you as parents of the students of Brilliant International Private School to meet and greet over coffee on Saturday, 16th September'2017.

We hope to give you an opportunity to meet other families within our BIPS community. We will be speaking to you about our school priorities and would like to hear your thoughts. Please feel free to vocalize and share your queries, concerns and suggestions.

We look forward to see you on the first Coffee Morning 2017-2018.

Parents should not be accompanied by children.
